

ICI INDUSTRIES

Precious Water – Innovative Solutions

QUALITY POLICY

Specific, Measurable, Achievable and Relevant

Commitment

We the employees of ICI Industries proudly pronounce our personal commitment to understanding, meeting and when possible exceeding the requirements of our customers.

Through the continuous improvement of our processes we are dedicated to deliver defect-free product on-time and at the most competitive price possible.

ICI Industries Board and Management are fully committed to this Quality Policy, shown through their active participation in quality improvement activities and leadership by example.

Objectives

Fully understand the requirements of all our clients and customers

Perform and provide defect-free work and services for all clients and customers.

Demonstrate and achieve required standards to meet all contractual commitments and obligations.

Pursue best practice Quality principles that meet all statutory requirements.

Ensure that the principles of this policy are understood and committed to by all staff.

Compliance

The Quality Management system of IC Industries is based on the concept of the Continuous improvement process, and is working towards the requirements as defined in AS/NZS ISO 9001:2008 series.
