

## QUALITY POLICY

ICI Industries Pty Ltd (ICI Industries) is fully committed to delivering a quality outcome to all its clients that is **Specific, Measurable, Achievable and Relevant**. ICI Industries will achieve this commitment through following its Objectives and constantly working towards its Compliance with the commitment of its Board, Management and Employees.

### Objectives

- Fully understand the requirements of all ICI Industries clients.
- Perform and provide defect-free product, work and services for all clients.
- Demonstrate and achieve required standards to meet all contractual commitments and obligations.
- Pursue best practice Quality principles that meet all statutory requirements and customer expectations.
- Ensure that the principles of this policy are understood and committed to by all employees.

### Compliance

The Quality Management system of ICI Industries is based on the concept of the Continuous Improvement process and is working towards the requirements as defined in AS/NZS ISO 9001:2015.

### Board, Management and Employee Commitment Statement

We the employees of ICI Industries proudly pronounce our personal commitment to understanding, meeting and when possible exceeding the requirements of our clients.

Through the continuous improvement of our processes we are dedicated to deliver defect-free product and services on-time and at a competitive price.

ICI Industries Board and Management are fully committed to this Quality Policy, shown through their active participation in quality improvement activities and leadership by example.
